FOR SALE OR EXCHANGE Old Arkansaw Trader

A burnt child fears the fire, Old Trader bought a ranch and in his dreams he could see fat cows in alfalfa knee deep. He prepared the land to sow, then he figured the cost of pumping the water and his fat cows vanished. Now, Old Trader wants to swap thirty-five thousand dollars worth of Victory bonds and Liberty bonds for well located subdivision land of equal value. He wants to build homes and sell on installments like rent, but he is really afraid to trust his own judgment. So he now asks all good people for good advice in location and values. He aims to make Phoenix his home and wants to get started out right. He now has desk room with the Frisco Realty Co., at 130 North Central and will be pleased to meet the people. Phone 5919.
